**Save money and the environment!
Local printer cartridge refiller opens ninth location.**

Concord, NH

InkSpot, a cartridge refilling business, has opened its ninth location. InkSpot customers can now have their ink cartridges refilled in 10 minutes or less at InkSpot, located at 65 South Main Street, in Concord, NH. InkSpot refills printer, fax and copier cartridges for consumers and businesses. They also carry a full line of compatible ink and toner cartridges. When compared with buying new cartridges, ink cartridge customers save up to 60% and toner cartridge customers save up to 40%.

“I’m thrilled to open an InkSpot here in Concord. The initial response from local businesses and consumers has been very positive. People love saving money and saving the environment. We’re looking forward to our ribbon cutting ceremony on Monday, June 14, 2010 at 11:00 AM with the Concord Chamber of Commerce. All are invited to attend and enjoy refreshments.” said Keith Murray, owner of InkSpot Concord.

“I’m very pleased to have Keith on the InkSpot team. He has a great entrepreneurial spirit. Keith is very fortunate to be opening a business in a community where its residents and businesses truly embrace buying *local* and buying *green*.” Said Mike Lynch, owner of InkSpot, LLC.
